GRAND PATRIARCH'S REPORT.

To the Grand Encampment, I. O. O. F., of Indiana:

PATRIARCHS—Through the kindness of an all-wise Father, we are once more permitted to re-assemble in annual session, to review the work of the past year and to counsel together for the advancement of our beloved Order. When I assumed the office and duties of Grand Patriarch of this jurisdiction, I promised to fulfill them to the best of my ability and to put forth my heartfelt efforts. How well I have kept that promise I leave you to judge. I only ask an impartial decision and pray that the mantle of charity be thrown over my unintentional shortcomings.

With great pleasure I report to you the prosperous condition of the Patriarchs' branch of the Order in Indiana. Our reports show a steady gain throughout this jurisdiction. Twelve new Encampments have been instituted by dispensation and three by charter, three resuscitated and two charters arrested.

I regret very much that I was not able to visit as many Encampments as I have been asked to do, my business engagements being such as to make it entirely impossible.

DISPENSATIONS.

During the year I have granted dispensations for Encampments at Dillsborough, Spencer, Mulberry, North Salem, Carbon, East Germantown, Stockwell, Homer, Sugar Branch, South Milford, Toledo and Kokomo.

ENCAMPMENTS INSTITUTED.

Dillsborough Encampment, No. 227, was instituted at Dillsborough, Dearborn county, December 28, 1894, by Geo. Trester, Special Deputy.

Spencer Encampment, No. 228, was instituted at Spencer, Owen county, January 4, 1895, by J. W. Smith, Past Grand Representative, Special Deputy.

Charity Encampment, No. 229, was instituted at Mulberry, Clinton county, January 16, 1895, by O. I. Thompson, Special Deputy.

Campbell Encampment, No. 226, was instituted at Pittsboro, Hendricks county, January 17, 1895, by Enoch G. Hogate, Grand Representative, as Special Deputy.

Van Buren Encampment, No. 230, was instituted at Veedersburgh, Fountain county, January 23, 1895, by Isaac Haupt, Special Deputy.

Mt. Jackson Encampment, No. 231, was instituted at Mt. Jackson, Marion county, February 21, 1895, by L. G. Akin, Special Deputy.

North Salem Encampment, No. 232, was instituted at North Salem, Hendricks county, March 14, 1895, by John Reynolds, Grand Treasurer, as Special Deputy.

Walnut Level Encampment, No. 233, was instituted at East Germantown, Wayne county, March 28, 1895, by John S. Byer, Grand Patriarch.

Carbon Encampment, No. 234, was instituted at Carbon, Clay county, March 28, 1895, by John Reynolds, Grand Treasurer, as Special Deputy.

Stockwell Encampment, No. 235, was instituted at Stockwell, Tippecanoe county, April 4, 1895, by John Reynolds, Grand Treasurer, as Special Deputy.

Homer Encampment, No. 236, was instituted at Homer, Rush county, May 1, 1895, by W. E. Wallace, Special Deputy.

Anchor Encampment, No. 237, was instituted at Sugar Branch, Switzerland county, April 30, 1895, by Abner P. Dufour, Special Deputy.

South Milford Encampment, No. 238, was instituted at South Milford, Kosciusko county, June 16, 1895, by J. B. Kimball, Past Grand Representative, as Special Deputy.

Toledo Encampment, No. 239, was instituted at Toledo, Huntington county, August 23, 1895, by John H. Goss, Special Deputy.

Progress Encampment, No. 240, was instituted at Kokomo, Howard county, September 13, 1895, by John S. Byer, Grand Patriarch.

In this connection I would say, I fully realize the step taken in establishing Progress Encampment, No. 240, after the action of the last Grand Encampment in refusing them a charter. But as Kokomo, No. 61, had given their consent, and after a thorough investigation, I thought best to grant them a dispensation. In no case have I granted a dispensation without the consent of the nearest Encampment, and I have no cause to regret my action. These Encampments will add materially to our strength, and are all prosperous.

I would recommend that charters be granted in lieu of dispensations.

RE-ORGANIZED.

DePauw, No. 111, at Scottsburg.—On December 11, 1894, I wrote Patriarch George Beckman, of Seymour, to visit the brothers at Scottsburg, and if there were no immediate prospects for re-organization, to take up their charter. The result of Bro. Beckman's visit was, that in January, 1895, the team from No. 109, at Seymour, visited DePauw, No. 111, and admitted, advanced and exalted fourteen brothers to the R. P. Degree. No. 111 is again among our working Encampments.

REDKEY, NO. 172.

On January 2, 1894, their lodge hall was burned, No. 172 losing everything except their charter and one ritual. After considerable correspondence I paid them a visit, the result being that their reports were made out, officers elected, and they are again at work. I would recommend that they be furnished with a new set of rituals free.

GARDNER, NO. 106, AT LIBERTY.

This Encampment has done no work, or made any reports, for more than ten years, their last meeting of record being January 28, 1884. I visited them on July 29 for the express purpose of arresting their charter, but on arriving there was met by eight of the old Patriarchs, who refused to give up the charter. They showed me an agreement, signed by nine of the old members and twenty Third Degree members, to re-organize not later than September 1. Reports were made out, new officers installed, and on October 1 the team from White Water, No. 33, of Connersville, went to Liberty and conferred the work on thirteen candidates, and No. 106 can now be classed among the workers.

CHARTERS ARRESTED.

At the last session the incoming Grand Patriarch was instructed to notify delinquents that unless they reported by March 1, 1895, he should take up their charters. I extended the time to July 10. On July 11 I requested J. M. Lang, G. H. P., to go to Vincennes and arrest the charter of Mt. Olive, No. 18, which duty was performed July 16, 1895. The charter is now in possession of the Grand Scribe.

On July 22 I requested H. G. Thayer, D. D. G. M., to take up the charter of Plymouth Encampment, No. 113. This was done and the charter is now in possession of the Grand Scribe.

REMOVAL.

December 8, 1894, I received under seal, application to remove Columbia Encampment, No. 220, from Landessville to Van Buren, Grant county. All Encampments and Lodges interested recommended the same. Following the precedent of my worthy predecessor, on February 11, 1895, I authorized the same, which was fully effected.

CONSOLIDATION.

I herewith file for your consideration, application of Converse Encampment, No. 211, and Lowell Encampment, No. 193, to consolidate under the name of Converse, No. 211, to be located at Converse. I would recommend that the petition be granted.

AMBIA—NEW ENCAMPMENT.

I have received petition for an Encampment to be located at Ambia, Benton county, which petition, together with all papers, I file for your consideration.

DECISIONS.

During the year, I have been called upon to render opinions upon a great number of questions that, had the Patriarchs taken the time to read the laws, they could have answered for themselves. I do not deem any of sufficient importance to be mentioned in this report, except the following:

First. A Patriarch while drawing benefits, became intoxicated. Must the Encampment still pay him, or can charges be preferred at a called meeting? Answer. Withhold the benefits pending trial. Charges must be preferred at a regular meeting.

Second. Can an Encampment amend its By-Laws, to pay only one dollar per week after the first thirteen weeks. If so, would it affect one who was then drawing benefits? Answer. Yes, and would affect the Patriarch drawing benefits, provided the Patriarch had drawn thirteen weeks. See Chapter IV, Section 7, foot-note 14.

YORKTOWN ENCAMPMENT.

May 18, 1894, Grand Patriarch Shirts granted a dispensation for an Encampment at Yorktown, Delaware county. For some reason, this has not yet been instituted. I would, therefore, recommend that the dispensation be revoked.

DISCIPLINE.

At our last session, Patriarch Fred A. Ragan, a Representative of No. 66, appeared intoxicated. Charges were ordered sent to his Encampment. Grant Encampment, No. 66, tried the Patriarch, but failed to fix a penalty. Afterward, his Lodge preferred charges and suspended him for eighteen months.

This should be a warning to others who attend our Grand Bodies for no other purpose than to have a good time (so called). "We war against vice in all its forms."

Mt. Pisgah Encampment, No. 107. At the November session, 1894, Mt. Pisgah Encampment, No. 107, was instructed to appoint a committee of P. C. P's to hear the complaint of Patriarch Reason Bell, as per Section 18, Chapter IV, General Laws. Under date of October 23, 1895, Brother Bell complains that they refused to comply with the request of this Grand Encampment. I would recommend that such action be taken which will compel them to comply.

D. D. G. P. REPORTS.

In most cases the District Deputy Grand Patriarchs have been prompt with reports, while some have entirely ignored the Grand Patriarch. Encampments should recommend only such Patriarchs for D. D. G. P. who will do their whole duty. To those who so kindly assisted me in my work, I would return my sincere thanks.

CORRESPONDENCE.

I have received a large number of letters from officers and Patriarchs relating to the Patriarchal branch of the Order. I have endeavored to answer all as promptly as circumstances would permit. As I close my duties, none remain to be answered, over five hundred letters having been written.

OFFICIAL DUTIES.

My duties as Grand Patriarch have, at times, been heavy, but never burdensome. I have striven to follow the teachings of the Golden Rule, and have found our great brotherhood willing at all times to assist with the work. If I have lessened the burden of my brethren, and have helped them more fully to appreciate the teachings of our beloved Order, I shall have been fully repaid for my labors.

MEMORIAL.

We are again forcibly reminded "That all that is born must die." On August 25, I received a telegram announcing the death of Dr. N. P. Howard, Past Grand Patriarch, at his home in Greenfield, Ind. I would recommend that a special committee be appointed to prepare suitable resolutions, to be adopted by this Grand Encampment.

DISTRICT MEETINGS.

No provision being made for the expenses of District Meetings, and no Encampments asking for them, none were held. I believe they would do the Encampments much good. I also believe this Grand Encampment should share the expense of same, and would recommend that the sum of fifty dollars, or so much thereof as is required, be set apart for this purpose.

THANKS.

Before concluding this report, I wish to return my thanks to all who have assisted me in any way, and especially to Bro. B. F. Foster, Grand Scribe; to John Reynolds, and to *The Talisman;* to J. M. Lang, Grand High Priest.

CONCLUSION.

PATRIARCHS—My duties as Grand Patriarch will close with the installation of my successor. I wish to thank you heartily for the high honor you have conferred upon me and upon my Encampment, in elevating me to this high and noble position. May we all "press on," and as we cross the wilderness of life, ignorant of what lies beyond, may we have the faith of Abraham and exemplify by our lives the teachings of the Golden Rule as taught by the Great Teacher: "As ye would that men should do unto you, do ye even so unto them," and when we at last reach that great river, from which none return, and at last reach the Great High Priest's tent above, may we hear the sweet music of the angels, and hear the welcome, "Well done, enter thou in," and may it also be said of us, "He hath done what he could."

Fraternally,
JOHN S. BYER,
Grand Patriarch.

C. P. Tuley, P. G. Rep., submitted the following resolution:

To the Grand Encampment, I. O. O. F., of Indiana:

So much as refers to Red Key Encampment, No. 172, be referred to the Committee on Finance and Accounts.

Which motion was adopted.

GRAND SCRIBE'S REPORT.

To the Grand Encampment, I. O. O. F., of Indiana:

I herewith submit my report of the work and condition of the Subordinate Encampments for the year ending June 30, 1895. Our report embraces the work of two terms—one ending December 31, 1894, and the other June 30, 1895. From the statistics presented, it will be seen that there is an increased activity in this branch of the Order. During the year some *fourteen* new Encampments have been instituted—several that had been dormant for some time, have been re-organized, and gone to work. For a complete record of these, you are referred to the report of our Grand Patriarch.

Our relief report for the year is very large, and may be summed up as follows: *One thousand two hundred and twenty-nine* Patriarchs, and *twelve* widowed families have been relieved. The sum of $16,349.55 has been paid for the relief of Patriarchs, $85.50 for the relief of widowed families; $3,213.43 for burying the dead, and $481.28 for other charitable purposes, making the total amount of relief $20,129.76.

This exhibit of the amount of relief paid by this branch of the Order, is very gratifying when we consider the fact that the Subordinate Lodge, is the great fountain of relief.

The subjoined statement will show the work and condition of the Subordinate Encampments for the year ending June 30, 1895:

CONCLUSION.

In reviewing the work of the year for which our report is rendered, it will be seen that in addition to the large number of new Encampments that have been instituted and old ones revived, that there has also been a gain of several hundred in membership, while the resources and receipts have been proportionately augmented. Our advices from many Encampments are such as to indicate a large increase in membership for the coming year, as well as in all other material resources that give permanance and stability to this branch of Odd Fellowship. In returning to our homes and Encampments, let us kindle anew the fires upon our altars. Let our watchwords be "Faith, Hope and Charity." A *Faith* that shall overcome all obstacles to success—a *Hope* that shall inspire us with the possibilities of this sublime branch of the Order—and a *Charity* that never faileth. Invoking the blessings of a kind and indulgent Providence, who has hitherto smiled upon and blessed our labors, we may anticipate a bright and prosperous future.

GRAND REPRESENTATIVES' REPORT.

To the Grand Encampment I. O. O. F., of Indiana:

Your Representatives, in the performance of their duty as such, attended the session of the Sovereign Grand Lodge held at Atlantic City, N. J., September 16 to 22, 1895, and herewith submit our report of the business of such session, so far as the same relates to this branch of the Order.

REPORT OF THE GRAND SIRE.

This report shows that every branch of the Order is in a flourishing condition and that the increase of Subordinate Encampments during the last year was fifty-three. We quote from a report of special statements relating to the Canton Branch as follows:

"In the Canton Branch they are not reported, but from information from Department Commanders, unusual prosperity prevails. The Chevaliers are taking on new activity. Many dormant Cantons have been revived, and new ones organized and mustered in.

The failure to forward detailed returns is not owing to any inefficiency on the part of the Department Commanders, or their Assistant Adjutant-Generals. The disordered state of this branch, disclosed by the removal of Army Headquarters, the dispirited feeling of the Chevaliers, the non-active and dormant condition of Cantons and officers, resulting from the non-acknowledgment of fees forwarded, and commissions called for, but not issued, had well nigh paralyzed this most valuable branch of our work.

To remove these embarrassments, revive activity, restore confidence, and place dormant Cantons in active relationship, has been a labor of no ordinary magnitude, to which the Department Commanders have addressed themselves with a most commendable zeal, and which has so engrossed their attention, that returns as required by Section 107 have been quite impossible. The new Code and its application to existing conditions, has also greatly added to their labors. So far as reported, this Branch is everywhere reviving, and by another year, it is presumed will have progressed so far that full re-

ports from all the Departments will be made. I call the special attention of Department Commanders to the Schedule Report of the Adjutant General, as emphasizing their duty for the coming year.

It is to be hoped that some time during the year such completeness of organization will have been reached that there will be a general desire expressed by Cantons and Department Commanders, for a General Canton Branch, in which event it will afford the Commander-in Chief the greatest pleasure to order such a gathering.

In this connection, I must earnestly bespeak for the Military Branch, the earnest and cordial co-operation of the entire Encampment Branch. Every Patriarch, as he desires the prosperity of the Order, should lend his influence and give cordial support to the Cantons. He should be allied to them, either as an active or honorary member.

In his Lodge he should constantly labor to add to the membership of his Encampment. That Branch at present does not number the half it should, and the Militant Branch is less than one-fourth of what its proportionate strength should be. By a little effort on the part of each, the proper equilibrium between the several Branches can be reached, and the highest prosperity attained."

DECISIONS.

A large number of decisions were rendered by the Grand Sire and reported to the Sovereign Grand Lodge, which so far as they relate to this branch of the Order, refer to the Patriarchs Militant. And we here copy the same as rendered by the Grand Sire, all of which were subsequently approved by the Sovereign Grand Lodge except as hereinafter stated.

"The same causes that have led to doubt and uncertainty, under the Rebekah Code, exist in the Code for the government of the Military Branch. The repealing clause (131) leaves nothing but the Code for its government, except 'the Ceremonies, Rituals, secret work, military tactics, uniforms and equipment, not consistent with the Code.'

Neither sections of the Digest, 1117, 1118, 1119, 1130, 1131, 1146, 1147, 1151, 1153, 1154, and, perhaps, others, come under either of the above exceptions. Are they by Section 131 of the Code repealed? If so, they should be restored, being sound law and quite necessary for the perfection and proper discipline of the Military Branch.

There may be other general laws, or judicial decisions, heretofore found to be necessary for the proper regulation and government of this Branch—not embraced in the Code—that ought to be continued in force. A sweeping repealing clause, like the ones above referred to, is dangerous legislation to attach to any new law.

The decisions upon this Branch heretofore attached will disclose some of the ambiguities of the Code, and some inconsistencies, which ought to be removed. As a whole, however, it is proving quite acceptable, and the military arm is acquiring unity, strength and efficiency under it. No effort should be spared to perfect it in every detail, as a most necessary and indispensable adjunct in the growth of the Order.

I call special attention to what I deem two glaring defects in its provisions:

First. In all Departments having no Council, non-commissioned warrants are issued at a charge of fifty cents each (85). Department Councils must pay for the same, *in blank*, seventy-five cents each.

Second. Aids on Staff of Commander-in-Chief, for commissions with rank of Lieutenant-Colonel, are each charged $7.00, while a Lieutenant-Colonel's commission is but $3.00.

I have held that the commission of every officer, elected or staff, should be the same, and graded by the *rank* the office gives him.

In these two respects the law should be amended. Other defects in the Code will appear in the following questions and decisions:

33. Question—Judge Advocate General and Assistant Judge Advocate, being abolished by the Code, and the Degree of Chivalry requiring the assistance of a "Judge Advocate," what staff officer must be substituted in his place?

Answer—Section 121 empowers the Department Commander to "delegate his authority to confer the Degree to any commissioned officer he may select." As the greater includes the less, if he can delegate his *entire* authority, he can delegate *a part* of it, and may select any commissioned officer to assist him. Both of these offices should be restored, or those offices in the Decoration and Grand Decoration of Chivalry abolished.

35. Question. Section 66 provides that all officers entitled to staffs shall appoint the same, and section 103 provides that the Chevalier elected Secretary of the Department Council shall be *ex officio* Assistant Adjutant-General on the staff of the Department Commander.

Are we to understand that the Department Commander has not the authority to appoint his Assistant Adjutant-General, or is he entitled to two?

Answer. There is no conflict between Sections 66 and 103, as 66 provides for officers appointing their own staff, "*except* as *otherwise* provided." Section 103 provides for the election of one staff officer—a little incongruous—as a selection by the Department Commander of his Assistant Adjutant-General would be likely to secure better service. But such is the law, and at present must be conformed to.

36. Question—A Department Commander, under the law of '93, appoints upon his staff an Assistant Adjutant-General, who procures his uniform and qualifies for office. He is not Secretary of the Department Council. His commission is issued just before the passage of the Code of '94. Is he still Assistant Adjutant-General, or does the Code remove him from the office?

Answer. There does not seem to be entire harmony between Sections 10 and 103. The sharper conflict is between Sections 76 and 103.

Had the Code provided that all appointments of staff officers made prior to its passage should stand until the term of their appointment expired, this question would not have arisen. I can not, however, believe that it was the intention of the S. G. L. to legislate any one out of office by implication, as that is against the principles of sound legislation. If such be the intention it should be specifically declared. I shall, therefore, hold that the appointment must stand until the term of his commission shall have expired. (Decided to three jurisdictions.)

37. Question—Will officers, who by express provision of the new Code are retired, be entitled to retired commissions, as those were under the Code of '93?

Answer—They will.

38. Question—Who are entitled to seats in a Department Council under the new Code?

Answer—Captains, Lieutenants and Ensigns, of Cantons; Majors, of Battalions; Colonels and Lieutenant-Colonels, of Regiments; Brigadiers, of Brigades, and Major-Generals, of Divisions; but no staff officers. (Decided to seven jurisdictions.)

39. Question—Should all Canton taxes paid after April, 1894, be refunded?

Answer—Yes.

40. Question—Can Chevaliers be allowed to vote by proxy under the new Code?

Answer—Voting by proxy is not personal voting. No one can vote thus except by special permission. This permission must be granted by specific law. No such law existing, no one can be permitted to so vote.

41. Question—Can a Chevalier be tried for an offense until the Department Council has prepared a trial code according to Section 109? If so, by what Code?

Answer—Yes; by any recognized Code in use in other branches of the Order, provided all the conditions expressed in Section 110 are fully complied with.

42. Question—Are Councils organized under the laws of 1893 broken up by the Code of 1894, so that a new organization must be immediately formed?

Answer—No; but if any meeting is called, or held subsequent to its passage, it must conform in membership and their manner of selection to the new Code. All of its By-Laws not in harmony with it are null and void, and must be amended so as to conform also.

44. Question—Can a Canton that has lost its charter or warrant, obtain another?

Answer—Though there is no provision of law in regard to it, I hold, that upon satisfactory proof of its loss or destruction, a duplicate may be issued in analogy to similar cases in a Subordinate Lodge, and upon the same relative terms. (Decided to two jurisdictions.)

45. Question—In the reorganization of a Department under the Code of 1893, are the officers who are retired by that Code entitled to a return of that portion of their fee for their commissions for the unexpired part of their official term?

Answer—They are not. By Section 77 of the Code of 1894, they are placed on the retired list, and the commission they were holding at the time is made a retiring commission with the retired rank designated by the commission.

46. Question—In taking a new member into a Troop of Lancers and making him a file chevalier, from whom must his commission come?

Is there any fee for his commission, or does he come in as before the Codes of 1893 and 1894, under Army Headquarters?

Answer—*First.* The special laws creating and governing the "Turm of Horse," as it existed when "Army Headquarters" were abolished are not disturbed by either Code of 1893 or 1894, except those providing for additional organizations. They are abolished. (See Section 111 of '93 and 51 of '94.)

Second. Section 73, of the Code of '94, takes the place of Section 118 of the Code of '93, and that section took the place of Section 297 of the original law. Section 73, therefore, has taken all power to issue commissions where there is a Department Council organized, from the Commander-in-Chief, and vested it in the Department Commander, except *his* commission.

Third. The fees for all commissions, retired or otherwise, were in the *general* law not in *the special laws* creating the "Turm of Horse." They are all abolished, and the Code provisions are substituted in their place. By this alone, therefore, the "Turm of Horse" must be governed.

47. Question. Can a Captain of a Canton who is suspended from his Encampment, be immediately dropped from the roll, his office be declared vacant by the Department Commander, and an election of Captain ordered?

Answer. Yes.

48. Question. Has a Captain or Lieutenant, in opening a Canton, authority to order a Colonel or Major, who belongs to the Canton, to fall in with the other Chevaliers?

Answer. Yes, if present not in their official capacity.

49 Question. Do commissions issued prior to the Code of '94 continue until the end of the term for which they are issued, or do they expire April 26, 1894?

Answer. Section 67 provides that the term of office "shall be held to commence with the 26th of April nearest in point of time to the date of the commission." This provision legislates out of office, April 26, 1894, all whose commissions bear date prior to October 26, 1893. All whose commissions bear date subsequent to October 26, 1893, will hold over until April 26, 1895. Equity would seem to require that all thus retired by force of positive law should be deemed holding a retired commission of the rank held when retired. Section 77 of the Code specifically so declares, in regard to all officers retired by the Code of '93, which, by analogy, I hold to apply to those retired by Section 67.

50. Question. Can the Department Commander or Commander-in-Chief

authorize a Canton to change its place of meeting, and meet at a different place than that fixed by the by-laws?

Answer. Neither can if by "place" is meant town, village or city.

51. Question—Can past officers, as such, be admitted to membership in Department Councils, with all the privileges of members, provided they obtain retired commissions?

Answer—They can not.

52. Question—Does the last sentence of Section 77 apply to an officer filling a vacancy?

Answer—It does not. Such terms must expire with the vacancy.

53. Question—Is the fee for the commission of Department Commander to be paid to the Department Council or to the Adjutant-General?

Answer—Though the Code does not specify where it shall be paid, yet as Section 73 provides that the commission shall be issued by the Commander-in-Chief, attested by the Adjutant-General, and Section 84 states what fees shall be paid to the Department Council, and this is not among them, it must be paid to the Adjutant-General, the law being silent as to where it shall be paid.

54. Question—Has a Department Commander authority to grant a petition to a Canton to change its name?

Answer—Under the general power conferred by Section 97, he has, if authorized by the Department Council. (Section 37.)

55. Question—Has a Canton the right to turn out and parade on Sunday, or can the Grand Sire grant permission for it to do so?

Answer—It has not such right, except at a funeral or some similar gathering.

56. Question—Where there are two Brigades in a Department, whose Commanders are of equal rank, and one of them is elected Department Commander, does he rank as Major-General, or what rank does he hold under the last sentence of Section 8?

Answer—Sections 5, 7 and 9 are controlling. He can not rank as Major-General until a division is formed. That sentence can only mean that he outranks the other Brigadier in command, as officers of the same grade outrank each other according to date of commission.

57. Question—Can a retired officer act upon the staff of the Commander-in-Chief, provided he holds a retired commission of the rank required for such staff officer, without taking out a new commission?

Answer—He ought to be permitted so to do, and I hold that he may.

58. Question—Can Chevaliers be admitted to Council meetings?

Answer—Yes, but as visitors only, unless elected as members in accordance with the By-Laws of the Council.

59 Question—Can the officers of the Department Council vote on questions before it?

Answer—Not unless they are members by virtue of Section 102.

60. Question—Under Sections 8 and 59, can Chevaliers of the Regiment in a Department, having a Regiment, and a first separate Battalion, the Colonel of the Regiment being Department Commander, vote for the Colonel and Lieutenant Colonel of the first separate Battalion in the organization of that Regiment?

Answer—No.

In the foregoing, the statement by the Grand Sire: "I have held that the commission of every officer, elected or staff, should be the same, and graded by the rank the office gives him," and question and answer No. 56 were disproved, and the following report of the Committee on Judiciary in relation thereto was adopted:

"The Committee on Judiciary, to whom were referred the decisions of the Grand Sire, would report as follows:

"On page 7 of the Grand Sire's report we find a reference to the fact that the Code of 1894 fixes the price of commissions to aids on staff of the Com-

mander-in-Chief at seven dollars, while commissions for Colonels and Lieutenant-Colonels are fixed at a lower rate; which reference is followed by the following words:

'I have held that the Commission of every officer, elected or staff, should be the same, and graded by the rank the office gives him.'"

In this conclusion we can not concur. This Grand Lodge has distinctly, and without ambiguity, enacted that the staff officers shall pay a higher price, possibly deeming it best that favor should be shown to those whose rank is earned by service and by election over those who gain rank by appointment; and it is not within the power of any judicial authority to repeal that law, however desirable such repeal may be.

This committee also finds it impossible to concur in the decision which is numbered 56. We see no incongruity between an enactment in Section 7, that the Commander of a Division shall be a Major-General and another enactment in Section 8, that a Department Commander, where there are two Brigades in his Department, shall also be a Major-General, or hold any other rank one grade above that held by his highest subordinate. The idea, now embodied in Section 8, that where there were in a Department two or more bodies of equal rank, the elected Department Commander should advance one grade in rank, was proposed in 1893, and was stricken out and the words 'the senior officer' were inserted where they now appear in Section 7. But the principal of advancing the Department Commander one grade in rank above the officers he was to command, was enacted into law, and this committee can see no propriety in annulling this legislation. We therefore recommend the adoption of the following:

Resolved, That the decisions above mentioned be not approved.

APPEALS.

The question of the right of a Subordinate Encampment to invest its funds in the capital stock of an Association of Odd Fellows was presented in the case of Massasoit Encampment No. 1, of Massachusetts, *v.* the Grand Encampment of Massachusetts, on appeal from that jurisdiction. And it was held in that case that the Grand Encampment can not control its subordinates in the investment of its funds, except when the same are palpably beyond a reasonable amount and that in that case, where the proposed investment was $1000, and where the invested funds of the Encampment amounted to more than $10,000, that such investment was not unreasonable.

LEGISLATION.

Provision was made authorizing Grand Bodies, in lieu of Regalia, to prescribe certain ribbons or badges for use at the Grand Session, and the exact legislation on that subject is as follows:

"*Resolved*, That the last Clause of Article 22, of the By-Laws of this Sovereign Grand Lodge, be amended by adding thereto after the words 'to wear,' the following: '*Provided*, that Grand Bodies may adopt a badge of uniform size and design, the color to conform with existing regulations.' The clause as amended to read as follows: 'At sessions of Grand Bodies, in lieu of Regalia hereinbefore described, a ribbon may be worn of the color of the highest Degree the member has attained, having attached thereto any jewel which he is entitled or required to wear; *provided*, that Grand Bodies may adopt a badge of uniform size and design, the color to conform with existing regulations."

A telegraph cipher and key were reported for approval by the Committee on Legislation which we believe was adopted, although the printed journal does not seem to refer to that report by number. That telegraphic code as reported is as follows:

"Your Committee on Legislation, to whom was referred the resolution of Representatives Bingham and Aydelott, of Tennessee, in regard to cheap

mode of telegraphic communication, beg leave to report that we have carefully considered the subject, and are of the opinion that the adoption of said resolution would be the means of a great saving to the various Subordinate Lodges, therefore recommend that said resolution be adopted. We further recommend the following to be used as the cipher and key:

It was further provided that charges should be preferred against a member of the Order convicted of a crime, and that resolution is in these words:

"*Resolved*, When a member of the Order is convicted of a crime and is sentenced and is serving a term in a State prison, charges shall be preferred against him in the Lodge of which he is a member, and upon the facts being established and the member fully identified, he must be expelled."

Certain changes were made in the law in relation to the Dismissal Certificates, and that legislation is as follows:

"*Resolved*, That Section 672, White's Digest, 1889, be amended by striking therefrom the words, 'Dismissal Certificate,' in the fourteenth line, and inserting in lieu thereof the words, 'Certificate showing that he has resigned his membership.' The section as amended will read as follows: "That any member of any Subordinate Lodge or Encampment of the Order, upon change of residence, shall have the privilege of applying for membership in any Lodge or Encampment without first applying for a withdrawal card from the Subordinate Body in which he holds membership, by first obtaining a Visiting Card from such Body and depositing the same in the Lodge or Encampment in which he seeks to obtain membership. Upon election of such Brother by the Lodge or Encampment to which he shall apply for membership, said body shall notify the body, of which he is a member, of such election, when, being free from all charges and the payment of all dues and fees, upon proper application he shall be entitled to a Withdrawal Card or certificate, showing that he has resigned his membership. Upon deposit of said card or certificate with said Lodge or Encampment in which he had been elected, he shall be entitled to sign the Constitution and By-Laws and be received in full membership from such time, upon the payment of the admission fees required by the By-Laws of said Lodge or Encampment.

Respectfully report that we have considered the resolution, and are of the opinion that some changes in the present law would be beneficial. We offer the following resolution, and recommend its adoption:

Resolved, That the law as found in Section 670, of White's Digest, 1889, be amended to read as follows:

Resolved, That any member of a Subordinate Lodge or Encampment, or Rebekah Lodge of the Order, holding a visiting card in force, shall have the privilege of applying for membership in any Lodge or Encampment, or Rebekah Lodge, without first applying for a withdrawal card from the Subordinate Lodge or Encampment, or Rebekah Lodge, in which membership is held.

Upon election of such member by the Lodge, Encampment, or Rebekah Lodge, to which application was made for membership, said body shall notify the body of which they were members, of such election, when, being free from all charges and the payment of all dues and fees, upon proper application, shall be granted a withdrawal card. Upon deposit of said withdrawal card with said Lodge, Encampment, or Rebekah Lodge, to which they were elected, shall be entitled to sign the Constitution and By-Laws, and be received in full membership from such time, upon payment of admission fees required by the By-Laws of said Lodge, Encampment, or Rebekah Lodge."

It was also enacted that the Grand Encampment should require their Subordinates to make annual reports in relation to the property owned by the Order, and the following is the provision in relation thereto:

"*Resolved, further*, That Grand Lodges and Grand Encampments shall require their Subordinates to make annual reports in relation to the property owned by the Order, including the name, number and location of Lodge or Encampment; the size of lot; the height, size and material of building; date of erection, cost of property, present value, indebtedness, amount of insurance, net annual income, size of lodge-room, character of title, whether in fee under lease, or otherwise; and if owned jointly with others, what part owned by the Order; if owned by a corporation, the amount and market value of the stock owned by the Order; amount of money or securities not included in stock above given, also cemetery or cemetery lot, and shall report a tabulated statement thereof to the Grand Secretary of this Grand Lodge.

CONSTITUTIONAL AMENDMENT.

The following amendment to the Constitution was adopted:

"*Resolved*, That Article 16 of the Constitution of this Grand Lodge be amended by adding thereto the following section, to-wit:

SECTION 5. No saloon-keeper, bartender or professional gambler shall be eligible to membership in this Order."

In regard to this amendment Representative Leedy, of Indiana, introduced the following:

"*Resolved*, That Section 5, Chapter 16, of the Constitution of this Grand Lodge, adopted at yesterday's session, shall not be construed in its meaning so as to affect members now existing."

And upon that resolution the following report of the Judiciary Committee was adopted:

"Your Committee on Judiciary, to whom was referred the resolution offered by Representative Leedy, of Indiana, viz.:

'*Resolved*, That Section 5, of Article 21, of the Constitution of this Grand Lodge adopted at yesterday's session, shall not be construed in its meaning so as to affect membership now existing, respectfully report that the general laws of our Order preclude such a construction of the amendment to the Constitution as indicated by the foregoing resolution.

Your committee, therefore, ask to be discharged from the further consideration of said resolution.'"

CANTONS.

There was much legislation relating to Cantons, and we herewith append the same. The regulation for caps for Chevaliers and Line Officers were provided by legislation as shown in the following resolution, which was adopted:

"Your Committee on Patriarchs Militant, to whom was referred the resolutions of the Grand Representatives from Massachusetts and Ohio, requesting a change in the cap for Chevalier and Line Officers, have given the subject consideration, and we are of the opinion that the great majority of the chevaliers would prefer the change in the cap. We, therefore, offer the following resolutions and recommend their adoption:

Resolved, First. That the Chevalier's cap shall be of the same style as that used by the Field and Staff Officers (and known as the French Forage cap), except that the cap and sides shall be of black cloth, the band of purple silk velvet one inch wide, with two rows of Chevalier lace, Patriarch Militant buttons on the sides, gold cord on the front and straight leather visor. The embroidery on the cap shall be one-half inch silver bullion letters and numerals as follows: On the front the number of the Canton, and in the center of the top the Chevalier's emblem, with the name of the Department underneath. Where the name of the Department shall exceed five letters, the abbreviations as printed on the United States Postal Guide may be used.

Second. The cap for line officers shall be the same as the Chevaliers, except the band, which shall consist of one-inch gold lace interwoven with two rows of one-eighth inch wide scarlet silk, the rows of silk to be one-fourth inch apart and equal distance from the edges of the band.

Third. Nothing in this resolution shall prevent Cantons now organized, from using the caps already purchased, and is mandatory only in reference to new Cantons or Cantons that are purchasing new uniforms.

Fourth. All laws conflicting with the above resolution are hereby repealed."

Section 74 of the Patriarchs Militant Code was amended by adding thereto the following words: "No commission shall be issued to any Chevalier who is not in good standing in the Canton."

In regard to the reduction of the price of supplies, the following resolution was adopted:

"Your Committee on Patriarchs Militant, to whom were referred the resolutions of Representatives Comly and Nan Noorden, of Ohio, and of Representatives Dilcher and Whitlock, of New York, relative to the reduction in the price of supplies to be furnished to Department Council provided for in Section 127 of the Patriarchs Militant Code, desire to report that the Committee have carefully considered the proposition presented. It seems to be the intention of this Lodge that no financial benefit shall be derived from this branch of the Order, and it appearing that the fixed price for warrants and commissions exceeds the cost of printing and engraving and the expenses incurred, we conclude that a reduction in the price of such supplies is just and proper, and therefore recommend the adoption of the following amendment:

Resolved, That Section 127 of the Patriarchs Militant Code be amended to read as follows:

SECTION 127. Department Councils will purchase the supplies above mentioned from the Sovereign Grand Lodge, at a discount of fifty per cent. from the prices quoted. They will also procure the following supplies from the Sovereign Grand Lodge at the prices here stated:

Blank Warrants for Cantons, each	$1 00
Officers' Commissions, active or retired, each	25
Non-Commissioned Officers' Warrants, each	25
Certificates of Honorable Discharge, each	10
Proclamations for Degree Work	75

A Code for the government of the Patriarchs Militant was adopted which

we believe to be of sufficient importance to set forth in this report in full. The resolution creating such legislation, and adopted as stated above, is as follows:

"Your Committee on Patriarchs Militant have carefully considered the changes in the Code of Laws suggested by the Grand Sire, and would recommend the following amendments, which we think will cover the various points and remedy the conflicting sections to which reference has been made. Amend Section 4 by inserting after the word division, in third line, the words 'as the strength of the forces will permit, and the Commander-in-Chief, the Department Council, or the Department Commander shall, from time to time, direct,' and strike out the word 'and' in the third line, so that the section shall read as amended:

SECTION 4. The Cantons in each Jurisdiction shall be organized into battalions, regiments, brigades and divisions, as the strength of the forces will permit, and the Commander-in-Chief, the Department Council or the Department Commander shall from time to time direct.

Section 5 be amended by inserting after the word 'Cantons' in second line, 'a separate battalion shall consist of six to nine Cantons,' and to further amend by striking out the word 'three' wherever it appears and inserting the word 'two' in place thereof, and strike out the proviso so that the section as amended will read:

SECTION 5. A Battalion shall consist of not less than two nor more than five Cantons, a separate Battalion of not less than two nor more than three Regimental Battalions, aggregating not less than six nor more than nine Cantons—a Regiment of not less than three nor more than five Regimental Battalions, consisting of not less than ten Cantons, a Brigade of not less than two regiments, a Division of not less than two Brigades.

Section 7 be amended by striking out all after the word 'follows' in second line, and inserting in place thereof, 'A Department Commander, the ranking officer whose military title shall correspond with the forces under his command.'

A Major-General for a Division.

A Brigadier-General for a Brigade.

A Colonel and Lieutenant-Colonel for each Regiment.

A Lieutenant-Colonel for each separate Battalion.

A Major for each Regimental Battalion.

A Captain commanding each Canton.

A Lieutenant second in command of a Canton.

An Ensign third in command of a Canton—a warrant officer to be clerk of a Canton.

A warrant officer to be accountant of the Canton. The appointed officers of a Canton shall be a standard bearer, a guard, a sentinel and a picket, who shall rank in the order named.

Section 8 be amended by inserting after the word 'battalion' in the third line 'a separate battalion,' so that the section will read when amended:

SECTION 8. When a department consists of a single organized body of Patriarchs Militant as a Canton, a Battalion, a separate Battalion, a Regiment or a Brigade, the commanding officer thereof shall also be Department Commander, but where there are two or more bodies whose commanders are of equal rank, a Department Commander shall be elected whose rank shall be one grade higher than that of any other officer commanding in the Department, but no Department Commander shall be required by this section to vacate his office until his commission shall have expired.

Section 18 be amended by adding thereto, 'as well as the Canton,' so that the section will read as amended:

SECTION 18. The Degree of Patriarchs Militant shall be open to Patriarchs of the Royal Purple Degree everywhere. The condition necessary for receiving or retaining membership is, good standing in a regular Encampment of the Order as well as in the Cantons.

Section 19 be amended as to make three the requisite number for the Investigating Committee on an application for membership.

Section 30 be amendeded by inserting after the word 'Council' in second line, 'or Department Commander when the Council is not in session' and strike out after the word Commander-in-Chief in third line 'on recommendation of the Department.'

Section 27 be amended by striking out the word 'full' in the second line and the 'undress' in the third line and insert in place of the latter word the word 'fatigue,' so that the section will read:

SECTION 27. When a Chevalier as such visits a subordinate, he must be clothed in uniform either the full dress or the fatigue, but he can not occupy any chair or do the work of any officer in a Subordinate Lodge while dressed in P. M. uniform.

Amended Section 30 to read as follows:

SECTION 30. Warrants for Cantons shall be granted by the Department Council or Department Commander when the Council is not in session, or where there is no Council, by the Commander-in-Chief. All warrants shall be on the form provided by the Sovereign Grand Lodge. All applicants for warrants to establish Cantons shall provide themselves with the regulation uniform, and shall appear dressed in the same on mustering in of the Canton.

Section 34 be amended by adding at the close of the section, 'previous to the muster of the Canton.'

Section 37 be amended by inserting after the word 'Council' in second line, 'or if no Council, to the Commander-in-Chief,' and to further amend by adding after the word 'Council' in fifth line, 'or Commander-in-Chief,' so that as amended the section will read:

SECTION 37. A Canton can not change its name at will. It must forward a petition to the Department Council, or if there be no Department Council, to the Commander-in-Chief, setting forth such desire, and giving the reasons therefor, and the Department Council or the Commander-in-Chief may grant or refuse the permission.

Section 40 be amended by inserting between the words such and by-laws in third line, the word 'additional,' so that as amended the section will read:

SECTION 40. A uniform Code of By-Laws may be prepared for each Department by the Department Council; but each Canton may adopt such additional By-Laws as may seem proper, provided the same do not conflict with this Code or the laws and regulations of the Order. Such By-Laws shall not take effect until approved by the Department Council, or during its recess by the Department Commander.

Section 41 be amended by striking out the word 'impressions' in first line at top of page 16, and inserting in place thereof the word 'design' or 'description;' to further amend by striking out the last letter of the word 'seals' in same line, so that when amended the section will read:

SECTION 41. A Canton shall have a seal which shall be approved by the Commander of the Department in which such Canton is situated, to which officer a design or description of such seal shall be forwarded for approval before the same shall be used.

Section 43 be amended by inserting after the word 'to' in the fourth line, the word 'be,' and after the word 'muster' the letters 'ed,' to strike out the word 'its' in the fourth line and insert in place thereof the words 'the mustering,' so that when amended the section will read:

SECTION 43. At the regular annual installation and muster of the Cantons, the countersign shall be promulgated to Chevaliers. Should a Canton from any cause fail to be mustered on the day named, then the mustering officer is charged to proceed with the installation muster and inspection of the Canton as early as practicable thereafter, at which time the countersign shall be promulgated.

Section 54 be amended by striking out the words 'non commissioned' in the fourth line, and inserting in place thereof the word 'warrant,' so that as amended the section will read:

SECTION 54. The commissioned officers of a Canton shall consist of a Captain, who shall be Commandant, a Lieutenant and Ensign. The warrant officers shall be a Clerk and an Accountant. The appointed officers a Standard Bearer, a Guard and a Picket, who shall rank in the Canton in the order named.

Section 57 be amended by adding thereto, 'but they may procure them, if they so desire, and a Department Council may require that they shall be issued,' so that the section will read as amended:

SECTION 57. The officers of a Canton shall perform such duties as are enjoined in their charges, or as may be required by the General Law of the P. M. or the By-Laws of the Canton. The Guard, Sentinel and Picket do not require warrants, but may procure them if they so desire, and a Department Council may require that they shall be issued.

Section 67 be amended by inserting after the word 'year' in the fifth line, 'except in the institution of new Cantons or the filling of vacancies from any cause, in which event they will serve until the regular election takes place,' so that the section will read as amended:

SECTION 67. Canton officers shall be elected for one year, officers of Battalions or Regiments for two years, officers of Brigades or Divisions for three years. All officers so elected shall qualify and assume their respective positions at the beginning of the fiscal year, except in the institution of new Cantons, or the filling of vacancies arising from any cause, in which event they will serve until their successors are elected and installed or commissioned. When an officer is commissioned during the year, his term shall be held to commence with the 26th of April nearest in point of time to date of his commission, except as hereinbefore specified.

Section 70, strike out the word 'non-commissioned' in third line, so that as amended, the section will read:

M. H. Chappell, P. C. P., from the Special Committee on the death of N. P. Howard, P. G. Rep., submitted the following

REPORT:

To the Grand Encampment, I. O. O. F., of Indiana:

Your Committee on the death of P. G. P. N. P. Howard beg leave to report:

Noble P. Howard, M. D., Past Grand Patriarch, died at his home in Greenfield, August 25, 1895, aged, 72 years, 11 months and 14 days.

Bro. Howard was initiated in 1853 in Pendleton Lodge, No. 88, and on July 21, 1853, he became a charter member of Greenfield Lodge, No. 135, and continued to be an active member until his death. He soon passed the chairs and was admitted to the Grand Lodge, July 18, 1854.

He was also a charter member of Humphreys Encampment, No. 49, and was admitted to this Grand Encampment, November 19, 1860.

Odd Fellowship to him was a guide in practical humanity, filling his soul with charity for the failures and faults of others, and his active life full of benevolence in helping the weak. He was of strong personality, yet as kind and gentle as a maiden; and surrounded by a large number of devoted personal friends he closed his days of work and went to the glories of the Grand Lodge above.

Resolved, That a memorial page in our proceedings be made and published and a copy engrossed and sent to the family.

Which was concurred in by a standing vote.

C. C. Binkley, P. G. Rep., from the Special Committee on Death of P. G. Rep. P. S. Hoffman, submitted the following

REPORT:

To the Grand Encampment I. O. O. F. of Indiana:

Your committee to whom was referred the death of P. G. Representative Peter S. Hoffman, respectfully report:

Past Grand Representative Peter S. Hoffman died at his home in the City of Chicago, September 18, 1895, in the 72d year of his age.

He was initiated into the Order in Charity Lodge, No. 7, at Lancaster, Ohio, May 6, 1844. His zeal in the cause was manifested in the fact that during the same year he took his card from that Lodge to enable him to assist in organizing Columbia Lodge, No. 32, at Circleville, Ohio. In this Lodge he soon passed through the chairs of Noble and Past Grand, and, although his home remained at Lancaster, twenty miles distant, and his only mode of transportation was on horseback, the records of that Lodge show that he was present at every regular meeting during both of said terms, thus making a record of persistent faithfulness rarely if ever equalled in the history of the Order. Such devotion could only come from a heart fully imbued with the great principles of the Order, and of its true beneficence and good to man.

This spirit of faithfulness remained with him to the end, and all through his life he remained active in practicing and teaching the cardinal virtues of the Order.

He came to Indiana in 1846, locating at Madison, and later at Richmond, where he assisted in organizing Richmond Lodge, No. 254, of which he remained an active member to the close of his life.

He was an influential member of Oriental Encampment, No. 28, in Richmond. In 1878 he was appointed Grand Representative to the Sovereign Grand Lodge to fill a vacancy occasioned by the death of Grand Representative Edwards.

He was true to all trusts confided to him, and having lived beyond the allotted time of man has gone to his reward.

He leaves to mourn their loss a widow and several children. To them we extend our sincere sympathy and join our grief with theirs in mourning his departure.

We recommend that this memorial occupy a page in the published proceedings of this session and that a copy be forwarded to his family.

Which was concurred in by a rising vote.

"As sinks the sun beneath the west,
And shadows of the night close in,
So hath our brother sunk to rest
From toil and sorrow, pain and sin.
And as the orient sun shall rise,
And shine with undiminished ray;
So shall the form that lowly lies
Be raised to life in that great day."

When o'er thy silent grave
Eve's shadows creep
Fond memory ever will
Her vigils keep.

Thunder may peal above,
Storms o'er thee madly sweep,
Yet undisturbed will be
Thy dreamless sleep.

2. *Resolved*, That the hour of 3 o'clock be assigned, at each session, for the exemplification of the unwritten work by the Grand Representatives, and that the nominations and elections follow immediately thereafter.

Resolved, That a member of the Order in good standing, evidenced by holding an unexpired visiting card, issued in conformity to the laws of the Order by his Lodge or Encampment, and having the A. T. P. W., being in distress, or pretending so to be, and needing money, and who having asked for and received from a Lodge or Encampment, or a member thereof, a sum of money, under the assurance and promise that he will return or repay the same within a given time, or so soon as he returns home, but who shall neglect so to do after a reasonable time thereafter, without a satisfactory excuse being rendered, shall be deemed guilty of conduct unbecoming an Odd Fellow; and due notice of such facts having been officially communicated to his Lodge by the Lodge or Encampment so loaning him the money, it shall be the duty of his Lodge to notify him of such indebtedness or loan, and to demand payment thereof, and if he then refuses or neglects to pay the same, his Lodge shall prefer charges against him, try him, and, if found guilty, and without sufficient mitigating circumstances, to expel him from the Order.
